

Deliveries to Terminal 2, 3 and 4

The Loading Dock and courier bays shown on this map are available for APAM, retail and airline deliveries to Terminal 2, 3 and 4 only.

This area is the only authorised parking dedicated to Melbourne Airport deliveries. If you choose to park elsewhere, such as the short term or multi level car park, you will be charged at the same rate as public vehicles.

We thank you for your co-operation.
